DE MINIMIS AID DECLARATION

The aid being sought is provided under the European Commission Regulation on De Minimis Aid. Small amounts of State aid, up to 200,000 Euros in any three-year period to any one enterprise, are regarded as too small to significantly affect trade or competition in the common market. Such amounts are regarded as falling outside the category of State aid that is precluded by the EC Treaty and can be awarded without notification to or clearance by the European Commission. A Member State is required to have a mechanism to track such aid (called 'De Minimis aid') and to ensure that the combined amount of De Minimis aid payments from all sources to one enterprise in any three-year period respects the 200,000 Euro ceiling. Please provide details of all other De Minimis aid which has been granted to you within the past three years. The default position for all applicants will be that any public funding is from a De Minimis source unless confirmed otherwise. It should be noted that a false declaration by you resulting in the threshold of 200,000 Euro being exceeded could later give rise to the aid being recovered with interest.

I wish to apply for LEADER funding under the De Minimis Regulation (EC) 1407/2013 of 18 December 2013. I confirm that (name of Promoter) _____ has been granted only the following De Minimis aid within the past three years (**sign even if you have not received any funds and insert nil in amount approved - details as outlined below**).
